

VOLUME NO. 11

VERNON, WILBARGER COUNTY, TEXAS, SEPT. 2, 1919

GENERAL DICKMAN AND COMMITTEE OF THREE

MAJ. GENERAL J. T. DICKMAN

Senators Marcus A. Smith, of Arizona; Albert B. Fall, of New Mexico, and Frank B. Brandegee, of Connecticut, have been appointed as an investigation committee of three to immediately determine the cause of the border troubles. They will submit their report and steps will be taken to remedy conditions.

Major General Joseph T. Dickman, commander of the Southern Department, reiterated that no more troops would be sent from the United States into Mexico at this time. He added, however, that efforts were being made to obtain more airplanes to maintain liaison with troops in Mexico and that he hoped to have them soon. More machines become necessary, he explained, as the distance from the

border to the expedition increases. General Dickman set at rest reports that troops would be with-

drawn soon by stating that the search would continue as long as it is possible to follow the trails.

TEACHERS FIND NO TROUBLE GETTING ROOM AND BOARD

Many Housewives Manifest Willingness to Take Instructors for \$30 a Month—Teachers Are Assigned to Various Schools in City—Pupils Will Report Monday.

Practically all of the teachers of the Vernon city schools have secured room and board. Within the last few days a number of rooms have been offered at reasonable prices Superintendent B. F. Sisk advises, and the trouble anticipated in the matter of locating the instructors has been largely averted.

Teachers are obtaining board and room for \$30 a month—the price asked by one or two for the room, alone. A number of housewives have phoned Mr. Sisk, asking that he send them roomers and have been promptly advised by him that the instructors were finding a sufficiency of places at a reasonable figure. "The result is that the high priced rooms are still vacant," said Mr. Sisk.

The superintendent thoroughly appreciates the spirit being evidenced by householders in attending to the locating the teachers.

While the assignment of the instructors to the several buildings has not been definitely determined, the following is the tentative assignments as given out by Mr. Sisk.

High School—J. T. H. Bickley, principal and science; Miss Blanche Groves, mathematics; Miss Pearl Russell, Latin; Miss Mabel Rockett, English; Miss Ethel Hatchel, history; Miss Jessie Ethelman, commercial subjects.

Shive School—Will Brumblow, principal and 7th grade; Miss Florence Womack, 6th grade; Miss Allie Reese, 5th grade; Mrs. Della Houssels, 4th grade; Miss Bertie Lee Burkhalter, 3rd grade; Miss Roselyn Baird, 2nd grade; Miss Lora Long, 2nd grade; Miss Floy Tacker, 1st grade.

Central School—Knox Kinard, principal and 7th grade; Miss Myrtle McKinney, 6th grade; Miss Minnie Turner, 5th grade; Miss Flossie Green, 4th grade; Miss Lizzie Wines, 3rd grade; Miss Carrie Bratton, 2nd grade; Miss Alice McElarty, 1st grade.

East Ward—D. M. Hooper, principal, 3rd and 4th grades; Miss Florence Thompson, 2nd grade; Miss Susie Scott, 1st grade.

The city schools open next Monday and all pupils are urged to be present at their ward buildings.

OKLAHOMAN TO FILL PULPIT.

W. L. Thornton of El Reno Will Fill Pulpit Morning and Evening at Christian Church Next Sunday.

Rev. W. L. Thornton of El Reno, Okla., will preach at both the morning and evening services at the Central Christian Church Sunday. He has been holding revival meetings at Haskell and Spur and will stop over in Vernon en route home.

Rev. Thornton is a young man and reputed to be one of the ablest speakers in Oklahoma. The officers of the church are especially anxious that he be given a good hearing. "We want all of the backsliding brethren and sisters to be present and hear what he has to say," is the way one of the officers expressed the invitation.

M. S. Swinburn Trades Farm.

M. S. Swinburn has traded his farm of 200 acres southwest of Tolbert to Mrs. L. A. Jones for her place located west of Tolbert. The place he traded for contained 127.7 acres. The value placed on Mr. Swinburn's place was \$72, while Mrs. Jones' farm was valued at \$100 an acre. Mr. Swinburn will move some time within the next few months. The transaction was handled by Richardson & Thompson.

Trevathan's Moving to Wichita.

Mr. and Mrs. S. E. Trevathan and children are in Vernon getting their household goods ready to ship to Wichita Falls. Mr. Trevathan was in the grocery business, and closed out his stock June 1. Since that time he has been making investments in oil with Wichita Falls as headquarters. His household goods were still here.

RECORDS OF CLUB MEMBERS COUNT IN AWARDED PRIZES

County Agent Calls Attention to Importance of Report and Story of "How I Made My Crop"—Wants Boys to Go After Community Prize at State Fair.

Members of the boys' agricultural club of Wilbarger county, who anticipate trying for prizes at the county or State Fair, are urged by County Agent N. R. Tisdal to prepare their crop records as soon as possible. Some of the boys have already finished their record and others are coming to him for assistance in the matter. He is more than willing to help the boys, he said, and reminds the members that the report should be closed up within the next few days.

Mr. Tisdal calls attention to the fact that the crop report, together with a story entitled "How I Made My Crop" counts 20 per cent toward the prize. The other considerations are: best showing of profit, 30 per cent; greatest yield per acre, 30 per cent; best exhibit, 20 per cent.

Prizes are offered to the club members on the best ten ears of corn or the best ten heads of milo, Kaffir, fetterita or the best peck of peanuts.

The boys winning prizes in the County Fair will be given a trip to the State Fair in Dallas and their exhibits will represent the county in the state exposition. The expenses to and from Dallas will be by courtesy of County Commissioner C. L. Greene and the Fair Association will be host during the stay in Dallas. The prize winners of the girls' clubs are included in Mr. Greene's offer.

A "Community prize" is offered at the State Fair for the best ten exhibits of any article, and Mr. Tisdal is anxious that some boy will take it upon himself to get ten boys in his neighborhood interested in this award. The prize will be a silk banner with appropriate inscription.

FARMERS VALLEY COUPLE WED.

Rev. R. V. Tooley Performs Nuptial Rites for Leonard Ball and Miss Mattie Frost.

Leonard A. Ball and Miss Mattie Ethel Frost were married Sunday afternoon at the home of the bride's parents in Farmers Valley. Rev. R. V. Tooley performed the ceremony.

The bride is a daughter of T. C. Frost, and has been practically raised in the community where she now lives. Mr. Ball has also lived in this county nearly all of his life. Both are very popular with a host of friends, many of whom were present at the wedding. After the ceremony refreshments were served.

Mr. and Mrs. Ball will make their home in the Farmers Valley community, where he is a prosperous young farmer. The Record joins friends in congratulations and best wishes.

ROUSE PUBLICITY MANAGER.

Pastor of Local Church Appointed to Help in Drive by Baptists for \$75,000,000.

Rev. W. T. Rouse has been named publicity manager for this district of the Baptist \$75,000,000 Campaign. Plans for the work will be outlined at the Association meeting in Odell this month. Wilbarger county has been asked to pledge \$90,000 to be paid during the next five years. This is an average of nearly \$80 for each member of the Baptist Church, and is nearly four times as much as the average is for the entire Southern Baptist Church.

Neal-Hamilton Gets More Machinery.

A large boiler and engine to be used in drilling the Neal-Hamilton well near Doans arrived Friday and is being hauled to the location. The well was spudded in about three weeks ago and the larger boiler and engine is being installed in order that the work may be hastened.

McLarty to Gray County Ranch.

Mr. and Mrs. S. W. McLarty and sons, Frank and Shirley, left yesterday for their ranch in Gray county. They are making the trip in an automobile. Mr. and Mrs. McLarty and their sons spent Sunday in Electra.

COUNTY CLUB RALLY AT DOANS SATURDAY

STATE AND DISTRICT AGENTS WILL BE HERE TO HELP WITH ENCAMPMENT.

H. H. Williamson, assistant state agent, in charge of club work, and John R. Edmonds, district agent, will be in Vernon this week to take part in the club encampment Friday and Saturday. L. R. Hunter, county agent at Childress, will be here. The camp will be at Doans picnic ground.

County Agent N. R. Tisdal urges all club members to bring bedding and well-filled baskets, as the youngsters will likely be hungry after their camp activities. Parents are also invited to attend the rally.

Mr. Tisdal's clubs rank first in this district, he having exceeded his quota by more than 200 per cent, and he hopes to have a rally that will be a record-breaker.

MR. AND MRS. REED RETURN.

Vernon Man Was Injured Fighting Forest Fire in Montana Near Son's Home.

Mr. and Mrs. Harper Reed returned Monday from Helena, Montana, where they have been visiting their son, Uriel. Mr. Reed carries an injury received while fighting a forest fire which threatened his son's property. The injury is slight, however, and he expects to be well soon.

A horse Mr. Reed was riding stumbled and crushed his foot. The fire destroyed about 4,000 acres of forest, and was checked within half a mile of Uriel Reed's place.

Mr. and Mrs. Reed visited Yellowstone Park while on their vacation.

Dr. Garland Returns From Dallas.

Dr. and Mrs. A. B. Garland and children returned Saturday from Dallas, where he went several weeks ago to the Baptist Sanitarium for the purpose of undergoing an operation for appendicitis. He also had his and the baby's tonsils removed. The family visited in East Texas before returning.

Geo. Hix Arrived Saturday.

Geo. D. Hix arrived Saturday morning with his discharge from the Navy. He has not held a revival meeting during July and August. He put off the services this year to help farmers catch up with their work.

Fannin County Man Buys Farm.

In a deal negotiated by Richardson & Thompson, Henry Cook sold his 256-acre farm near Tolbert, known as the Oats farm, to Mr. Van Pelt of Fannin county for a consideration of \$62,500 an acre. Mr. Van Pelt will move to Vernon and occupy his new property on or about January 1.

BUY TRACTOR AND GRADER FOR ROADS

COUNTY JUDGE AND COMMISSIONER O. A. McCaleb RETURN FROM DALLAS.

County Judge E. L. McHugh and County Commissioner O. A. McCaleb returned Friday from Dallas, where they went to purchase a tractor and a heavy grader to be used by the County in road work. A deal was closed for a forty-horsepower Avery tractor and a grader. This machinery is represented to do the work of fifty per cent of the cost incurred in the use of teams. Under the uncertain conditions of freight traffic it is not known when the tractor and grader will arrive, but it is expected within the next ten days.

The county has owned twelve mules for use on the roads which will now be sold. The shortage of labor necessitated the installation of machinery and the reduction of man-power to a minimum. It is thought that the sale of the mules will net a sum sufficient to make a considerable payment on the new machinery. The tractor and grader will cost about \$6,000.

The County has also been promised three army trucks to be used on the county road work and with the arrival of the machinery from Dallas the county equipment will be about complete.

MEETING AT WESLEY CHAPEL.

Rev. R. V. Tooley Will Not Preach In Day Time Because of Rush of Work.

Rev. R. V. Tooley is conducting a protracted meeting at Wesley Chapel, and announces that services will be held each night at 8:30 o'clock. He will not preach during the day because of the rush of work which farmers must attend.

"This is the first time in twenty-two years," Rev. Tooley says, "that he has not held a revival meeting during July and August." He put off the services this year to help farmers catch up with their work.

Farmers around Wesley Chapel have fine crops, according to Rev. Tooley.

VERNON OIL DEVELOPMENT MACHINERY IS RECEIVED

Practically all of the drilling machinery for the Vernon Oil Development Company well arrived Friday and is being hauled to the location three and a half miles southwest of Vernon. The Burk-Waggoner Oil Company has the drilling contract. The well will be spudded in within the next ten days or two weeks, it is announced.

The Vernon Oil Development Company is capitalized at \$75,000 on 3,000 acres.

CLUB GIRLS HAVE RALLY THIS WEEK

DISTRICT AGENT AND DEMONSTRATOR FROM CHILDRESS TO HELP MISS WILCOX.

Mrs. Dora Barnes, district home demonstration agent, will be here to help Miss Ohmie Wilcox with her club rally Friday and Saturday. Miss Flora Harbert, home demonstrator for Childress county, will also be here.

Miss Wilcox announces that the program includes games, contests in basketry, cooking, and sewing. She urges all girls to come with baskets filled to satisfy their appetites two days, also a pillow and quilt or quilts. With their chaptermates, the girls will camp at Doans picnic ground.

A special invitation is extended parents to camp with their daughters, Miss Wilcox says. She further suggests if it is impossible for some parents to leave the farm, that community parties be gotten up, so that all club members in each community may attend.

Miss Wilcox has 480 girls enrolled in club work.

CARNIVAL COMPANY FOR FAIR.

Loos & Dekreko Carnival Company Is Said to Be Best of Its Class.

Manager R. H. Coffee announces that he has secured the Loos & Dekreko Carnival Company of San Antonio for the County Fair, October 1 to 4. The company will bring six big shows to Vernon, and is said to be the best of its class. It carries 125 people, has a Wild West show, high class vaudeville. The Fair catalogue is now being printed and will be ready for distribution within a short time, according to the management.

Lundys Return From Washington.

Mr. and Mrs. W. S. Lundy returned Monday from Tacoma, Wash., where they have been for some time, visiting the families of J. T. Brown and Ocho Scripps, who formerly lived in Vernon. They report a delightful visit, and say that crops are good in the Pacific Coast country.

West Vernon Using Two Shifts.

The West Vernon Oil Company is using both a night and day shift for drilling on its location two and a half miles west of Vernon. The double shift was started the latter part of last week.

Jones County Crops Are Good.

Dr. E. B. Jones returned Wednesday from a two weeks' stay in Jones county visiting friends. He says the crops in that section are better than they have been for a number of years.

NEW SECRETARY OF COMMERCIAL CLUB IS TENNESSEE MAN

C. M. Murray, Formerly Cashier of Vernon Cotton Oil Company, Will Take Up Work Here About September 10—Served as Lieutenant of Marines in World War.

C. M. Murray, formerly cashier of the Vernon Cotton Oil Company of this city, will become secretary of the Chamber of Commerce to succeed J. D. Parnell. Mr. Murray is now at his home in Jackson, Tenn., having recently been discharged from the Marine Corps. He served during the war as lieutenant of Marines.

Mr. Murray is expected to arrive in Vernon about September 10th to begin his work with the local organization. The directors last week voted unanimously to tender him the place. Daniel Bond, the president, took the matter up with him and received his acceptance by wire Saturday.

The new secretary is one of the most popular men who ever lived in Vernon. He was cashier of the Vernon Cotton Oil Company about four years and was highly esteemed in local business circles. That he is to return to Vernon and be secretary of the Chamber of Commerce will be good news to his numerous friends here.

SAYS ROADS IN EAST TEXAS BAD.

Highways Are Almost Impassable Near Troup and Bonham, Says Rev. S. H. Holmes.

Rev. S. H. Holmes returned Friday from a trip to Troup, where he and Mrs. Holmes had been to visit their daughter, Mrs. Chas. Pace. He made the trip there and back in a car, leaving here about a week ago.

Mrs. Holmes has been gone almost a month. She returned from Dallas on the train that she could not stand the automobile trip.

Rev. Holmes says that the roads in that section of the state are in a bad condition and heavy rains during the last week or so have rendered them almost impassable. The highways are worse near Bonham, Troup and in that section but they are very bad as far up this way as Decatur.

HARROLD SCHOOL BEGINS 8TH.

Five Teachers Employed in New Independent District—Much Wheat Yet to Move.

R. M. Holt, superintendent of the Harrold Independent School District, announces that school will begin at Harrold Monday. The district has just changed from a rural school to an independent district.

Mr. Holt's assistants will be Misses Irby Coker, Ruby Martin, Daisy Moody, and Esther Sorensen. Miss Coker is the only member of the faculty who taught at Harrold last year. Miss Moody is a Harrold girl, Miss Martin comes from Wichita Falls, and Miss Sorensen from Wheeler.

W. A. Tapps Sells Farm.

E. R. Thompson, who resides on one of E. B. Judd's places in the East Vernon country, has bought a farm from W. A. Tapp, located south of Vernon and will take possession of same January 1. The farms contains 150 acres and the consideration was \$70 per acre. The transaction was negotiated by Richardson & Thompson.

Good Crops Around Shamrock.

Rev. W. T. Rouse, pastor of the First Baptist Church in Vernon, has returned from Shamrock, where he held a series of services. "We had a good meeting," Rev. Rouse says. "The people there have had ample rain and are harvesting abundant crops. They are a delightful people."

Souris Bros. Buy Home.

Dr. E. H. Cowan has sold his residence on South Main street to G. E. and G. D. Souris of the Candyland. They will occupy the property as a home. J. R. Jones transacted the deal.

Will Teach at Electra.

Miss Mabel Livingston has accepted a position as teacher of English in the Electra schools. She was a teacher in the schools at Claude last year.

MATERIAL FOR USE IN CONCRETE ROAD WORK IS APPROVED

Government Engineer O. K.'s Supply Available for Paving Vernon-Oklahoma Highway—Construction Will Begin as Soon as Details Are Disposed of—Contractor Is Here.

H. K. McCollum of Fort Worth was in Vernon Friday to close the contract with the county for the paving of the Vernon-Oklahoma highway. Mr. McCollum was awarded the contract by the County Commissioners several weeks ago and accepted on certain conditions. One of the contingencies was dependent upon whether or not the material available for concrete paving would be accepted by the Government engineer. The office at Dallas has approved the material, samples of which had been sent there for analysis, and Mr. McCollum will proceed with the work.

Work will commence on this paving as soon as preliminary details can be disposed of, probably some time this month. The Fort Worth man also has the contract for the city paving and has a car of machinery on the track here in preparation for beginning work on this contract within a very few days.

Bids were on monolithic brick, fiber brick with concrete base, sand cushion and bituminous coating as well as concrete. It was thought probable that the brick would have to be used on account of the scarcity of concrete material. Concrete was preferred, however, inasmuch as the city had chosen that material and East Wilbarger is to be paved jointly by the city and the county.

Mr. McCollum's bid on concrete work is \$325 within the city limits and \$3.62 outside of the city limits, due to longer haul and the cost of excavating outside the limits of Vernon.

INJURED PLAYING BASEBALL.

Charles McDonald, Third Baseman for Nashville, Is Son-in-Law of Vernon Man.

Charles McDonald, third baseman for the Nashville club in the Southern Association, was put out of the game Saturday as a result of being spiked in a game with Little Rock. Mr. McDonald has the second best batting record in the Southern Association.

The injured player is a son-in-law of J. H. Carson of Vernon, and is well known here. He played with the Vernon team at one time, and later was one of the most popular players with the Dallas club in the Texas League.

BONHAM REGRETS TO LOSE PASTOR MOVING TO VERNON.

Elder Tom Walker will leave Friday for Vernon, where he has accepted the pastorate of the Church of Christ," says the Bonham Daily Favorite, and continues:

"Elder Walker has been pastor of the Church of Christ in Bonham for the past seven years and during that time has increased the membership by some two hundred and his work both here and among the people over this part of the state where he has been holding meetings has been very satisfactory. He has been chaplain of the Bonham Fire Department for two years and will be missed by that organization. He was also a valued member of the Board of Trade, and his presence will also be missed by the organization. His family will remain here until next week some time when they will join him in their new home. It is with regret that Bonham loses Elder Walker and his excellent family, but we wish them every success in their new field."

Elder Walker is expected in Vernon this week to take up his work.

Wade Perkins to Chillicothe.

Wade Perkins has resigned his position with the milling company in Plainview and moved to Chillicothe, where he will engage in the painting business. Wade is thinking of moving back to Vernon in the near future.

Murphy Buys Two Places.

Eunice Wilson and L. E. Key have sold two residences located on West Waverly Street to B. W. Murphy. Mr. Murphy is buying the property as an investment.

He reaches France and joins the Lafayette Escadrille. Four years later, a major with 57 enemy planes to his credit, he is forced to land behind the German lines. News of his capture is printed in Alsatian papers and Louise resolves to aid Hugh's escape. Hugh is followed by German troops and caught in Louise's bedroom. The fortunes of war pass repeatedly from one side to the other and at last Hugh is made a prisoner. Through clever ruse, Louise secures his release and the two escape in a hay wagon, reaching France on the day that the armistice is signed.

ANDERSON EXPECTS WIFE AND CHILDREN FROM CALIFORNIA

L. M. Anderson is in receipt of a letter from Mrs. Anderson, with her children, are visiting relatives in California, advising that her father has been stricken with paralysis. He is at Charter Oak, Calif., and is said to be in a serious condition.

Mrs. Anderson and children were due to arrive home Sunday morning but were tied up by the trainmen's strike, which practically paralyzed traffic in Southern California for some time. The men are returning to their posts now, however, and conditions are returning to normal, according to the daily press. The letter received this morning was the first word received by Mr. Anderson from his family for about two weeks. He is expecting a message, announcing that they have started for home.

Raymond Dorsey of Wichita Falls is visiting friends in Vernon. Raymond formerly lived here.

Mrs. Reed Smith returned Monday from Cleburne where she has been visiting relatives.

NEFF MAY TALK AT LOCAL INSTITUTE

WACO LAWYER, CANDIDATE FOR GOVERNOR, INVITED TO COME HERE.

The joint institute being held by the teachers of the rural schools of Wilbarger county and the instructors of the Vernon city schools opened yesterday with an attendance of about eighty-five. The teachers are taking pains in preparing their part on the program and splendid spirit and interest is being displayed, according to County Superintendent J. N. Fulcher.

Will Brumbalow, principal of the Shive school, is in communication with Pat Neff of Waco in an effort to have him address the institute some time before the close of the program. Mr. Brumbalow extended to Mr. Neff an invitation several days ago while in Waco, obtaining the promise that it would be accepted if he could arrange his business so he could spare the time. The Waco lawyer is candidate for governor in the next election. In the event the invitation is accepted the date will be announced.

The Drawing Company has advised that they will be unable to send a representative to give the address on "Practical Drawing in All the Grades," which was scheduled for Thursday afternoon. Mr. Fulcher has been advised, also, that it will be impossible for a representative of the Red Cross to be present to discuss "Practical Hygiene for Children," which was on the program for this afternoon. The subject will be discussed by some capable person, however.

The institute closes Saturday and a number of the rural schools will open Monday, especially the eight and nine months' schools. Others will not open until later in the season, permitting the children to assist in the gathering of the crops.

John Nabers went to Dallas Saturday to spend several days on business.

MONDAY FIRST DAY OF DOVE SEASON

BIRDS SAID TO BE PLENTIFUL
BUT WILL BE HARD TO
LOCATE.

Doves are plentiful but will be harder to locate this season, owing to the abundant supply of water, according to Wilbarger County sportsmen, many of whom were out yesterday to take advantage of the holiday and the opening of the dove season. In dry years the doves are found at watering places where the supply does not fail. This season has been wet and the hunters will have to search up the birds in the brush and fields.

Doves are the only birds which may be killed legally until October 16th. The quail season opens December 1 and closes January 31st. The dove season will close December 1. Fifteen doves and fifteen quail may be killed in one day.

If there are no more rains in the next few weeks hunters expect to have an easier time in getting the birds. When the smaller pools and watering places dry up the doves will be forced to water at streams and lakes, where the hunter can lay in ambush for the birds.

Numerous changes in the fish and game law have been made. The fee for a hunting license has been increased from \$1.75 to \$2. Anyone hunting beyond the limits of the county in which he resides must obtain a license. Under the old law a hunter could hunt without a license in his own county, in adjoining counties or on land owned or controlled by him.

New Law Is Outlined.

The State Fish, Game and Oyster Commissioner has announced the important features of the new law, as follows:

"Three buck deer during the season from November 1 to December 31, inclusive, each year. Three wild turkey gobblers during the season, from March 1 to April 30, inclusive, each year. Fifteen doves in one day, from September 1 to December 1, inclusive. Fifteen quails and Mexican pheasants (known as chachalaca) in one day, December 1 to January 31. Twenty-five ducks in one day, from October 16 to January 31. Eight brant per day, from October 16 to January 31. Eight sandhill cranes per day from October 16 to January 31.

"Hunters are not allowed to kill more than an aggregate of twenty-five in any one day of ducks, geese, brant, plovers, curlew, snipe or shore birds.

Kill Rabbits Any Time.

"The law provides against killing at any time of the year any antelope, mountain sheep, prairie chickens, pheasants (except chachalaca), woodcock or wood duck.

"Rabbits, hawks, crows, buzzards, owls, English sparrows, rice birds and black birds may be killed in any number and all seasons.

"To buy, sell or barter any wild game birds is a violation of the law.

"Persons must not catch, kill or have in their possession nor ship at any one time more than the aggregate of seventy-five ducks, geese, brant and shore birds.

"Turkey hens must not be killed at any time.

"To catch, kill or have in one's possession any wild song birds is prohibited.

"Any wild game or wild game birds cannot be hunted at night with any kind of light or lantern."

THRESHERS FINISH AROUND OKLAUNION

LON BYARS SAYS FARMERS ARE
HARVESTING BUMPER FEED
CROP NOW.

Practically all of the grain around Oklahoma has been threshed, Lon Byars of that community reports. Mr. Byars was a business visitor in Vernon Saturday. He believes that when several fields in the East Vernon community have been threshed, the crop will have been cleaned up.

The country around Oklahoma and Harrold had, unquestionably, more acreage planted in grain than any other section of the county. Wheat averaged about twenty bushels to the acre, Mr. Byars said, and since the embargo on grain and the congestion in traffic has developed, farmers are having considerable trouble storing their grain. Every inch of granary room is being utilized and a great deal of the crop is being stacked in sacks out in the field. Some few are building new granaries or enlarging old ones, but the farmers, generally, he said, figure that, with the high price of lumber, they are not justified in going to a heavy expenditure enlarging their storage space under the pressure of abnormal crops this year when the extra room will probably not be needed again for many years. Most of them intend to sell the grain as soon as they can, anyway, he believes.

The end of the threshing season, however, by no means indicates that the farmers have nothing to do, said the Oklahoma man. They are now facing the problem of gathering one of the largest grain sorghum crops ever raised in this county. When Mr. Byars came in with his thresher he put his men to work gathering maize. Other men in that locality are using all available help in an effort to get their crops out of the field. Mr. Byars has seventy acres to head and the men are having some trouble on account of so many of the stalks having been blown down by the recent wind storm.

Harrold News.

Harrold, Sept. 1.—(By special correspondence.)—Most of the farmers of this community are through threshing grain, although the lately threshed wheat has not made as good yields as that threshed earlier.

Miss Daisy Moody returned to her home this week from the Canyon Summer Normal, where she has been studying since June. She acquired a six years' certificate while there.

Claude Watkins, who has been connected with the Wilson Drug Company here for the past year, has resigned his position, to accept an offer at Chardon with a drug company. He will be succeeded by William Kee.

Mrs. R. M. Pyle has as her guest this week, Mrs. James N. Byrd and son, J. N. Jr., of Dallas and Mrs. Jude Pyle and children of Electra.

Claude Waggoner of Elliott was in Harrold on business Thursday.

H. C. Thompson was a business visitor to Electra this week.

C. D. Kee and family of Electra are spending the week-end here with Mrs. Kee's mother.

Joe Leverett, manager of the Texas Garage, was transacting business in Wichita Falls Friday.

The Waggoner Colony Oil and Gas Company are reported to have struck oil in paying quantities on the B. B. Taylor farm north of Harrold, this week. They are now waiting for more casing.

Miss Jimmie Gribble is the guest of the N. M. Pyle home this week.

Last Tuesday evening Mrs. R. M. Pyle entertained several friends in honor of her son's twenty-first birthday. An interesting evening of games was enjoyed, after which an ice course

was served to the following: Misses Tina Watkins, Sue and Jimmie Gribble, Grace Kelly, Daisy Moody, Mary Cobb, Martha Jones, Virginia and Gladys Overstreet, Lela Chesney and Brant Strickland; Messrs. Temple Piper, Earl Hale, Tom Cobb, Gopher Wilkins, Edd A. Eagan, Otis Luttrell, Richard Kelly, Joe Leverett, Ralph and Ross Piper, and Maxwell Pyle. Mrs. Byrd of Dallas and Mrs. Pyle of Electra.

Miss Mary Cobb returned home Tuesday from Bowie, where she has been attending the Bowie Commercial College, since January. Miss Cobb has completed her course there and will probably accept a position in Vernon. Schools open the eighth of September. Everyone is invited to attend the opening exercises that morning. The teachers for the following year are: R. M. Holt, superintendent, Miss Ruby Martin of Wichita Falls, principal, Miss Daisy Moody intermediate, Miss Irvy Cooke primary, and Miss Sorenson will teach in domestic science. This department is a new addition to the Harrold school, also the twelfth grade has been added.

W. A. Mudgett of Vernon spent Sunday with home folks here.

Mr. and Mrs. Otis Shopshire of Wichita Falls are guests of Mr. and Mrs. Cameron this week.

Miss Garner Miller, accompanied by her cousin, Mr. Childers, returned to her home here this week, after an extended visit with friends and relatives in East Texas.

Mr. and Mrs. Grady Ashley and children of Ralls, Texas, are visiting

Mrs. Ashley's mother here this week. Many friends were surprised to learn of the marriage of Eric Hontchens to Miss Nettie Shumate of Duncan, Okla., last week. Miss Shumate formerly

lived at Harrold. Everyone wishes them much success and happiness.

The American Eagle Oil and Gas Company sounded in their Kelly No. 1 this week for a deep test. This test is in addition to many other new enterprises for the Harrold country, which is seemingly of great interest to oil people.

Claude Watkins and Chester Showers were Electra visitors this week.

Mrs. R. A. Rivers and children of Elliott were shopping in Harrold this week.

Edward Orton returned to his home at Bellevue this week after a ten day's visit with his aunt, Mrs. Sam Kelly.

Mrs. Charlie Gore and children of Electra returned home last week, after a several days' visit with her mother, Mrs. Tom Cooper. Miss Eva Gooch accompanied her home.

Mr. and Mrs. Frank Henderson were Vernon visitors Friday.

Mrs. Albert McCane and children left Thursday for an indefinite visit with friends and relatives in Snyder, Texas.

"If Vernon Should Strike Oil, What Then?" Methodist Church Wednesday night. Come. 1tp

H. B. Browning has moved to Harrold and accepted a position driving a truck for Hiram Thompson. He formerly was employed with the Kell Milling Company here.

THE WEST TEXAS STATE NORMAL COLLEGE CANYON, TEXAS

THE WEST TEXAS STATE NORMAL COLLEGE is nine years old, having opened its first regular session September 20, 1910. During this short time more than 5,000 people have received instruction here. Beginning with a student-body of some 200, the summer session just closed had an enrollment of 780, and the total enrollment for the year, including regular and summer terms, is 1,353.

THE WEST TEXAS STATE NORMAL COLLEGE has a faculty of 46 specialists. These men and women have been selected with special reference to their ability as educators and are recognized leaders in their respective fields. They are big of mind and large of heart and easily find their way into the lives of the young people they touch.

THE WEST TEXAS STATE NORMAL COLLEGE offers instruction in Agriculture, Art, Biology, Bookkeeping, Chemistry, Commercial Law, Domestic Art and Science, Economics, Education, English, Expression, French, Government, History, Latin, Manual Training, Mathematics, Music (piano, voice, violin, band, orchestra, public school), Physics, Sociology, Spanish, Stenography, Typewriting.

THE WEST TEXAS STATE NORMAL COLLEGE maintains a Kindergarten and Training School for children, under the direction of educational experts. This school furnishes to prospective teachers opportunity for observation and practice teaching.

THE WEST TEXAS STATE NORMAL COLLEGE has a standard college curriculum leading to the various kinds of teachers' certificates and to B. A. and B. S. degrees in Education.

THE WEST TEXAS STATE NORMAL COLLEGE offers scholarships annually to the honor students among young women and to the honor students among young men in the graduating class of each fully affiliated high school. These scholarships exempt the holder from all incidental fees.

THE WEST TEXAS STATE NORMAL COLLEGE offers annually one scholarship, worth \$100, to students who have completed with high rank a two or three-year college course in a Normal College.

THE WEST TEXAS STATE NORMAL COLLEGE has the best individual schoolhouse owned by the State of Texas. Plans are now being made for the erection of a fire-proof boiler-house and metal shop at a cost of \$30,000, and a handsome, fire-proof dormitory for girls at a cost \$150,000.

THE WEST TEXAS STATE NORMAL COLLEGE believes in all that is high and holy in our Christian civilization and seeks always to environ our boys and girls with the most wholesome influences. It is our purpose to evade dogmatism and to enthrone spiritual understanding.

THE WEST TEXAS STATE NORMAL COLLEGE charges no tuition and furnishes free textbooks. An entrance fee of \$15 is the only cost. This is the people's school and its advantages are as wide open as possible.

The fall term will open September 26.

SENSE FOR WHITE AND BLACK.

When there is friction between white people and black in many sections of the country, it is particularly gratifying to read a statement full of good common sense from a representative negro. Read the following from L. L. Campbell, president of St. John's Encampment (colored) at Austin, issued Saturday:

"There is no just ground for complaint. The races in the South are getting along smoothly and where the negro accepts the advice of his white neighbor, prosperity is in evidence.

"The officers of the law who took necessary precautions to prevent a clash were indeed wise, for at this present moment an altercation between black men and white men, while not intended, might possibly have been the means of the death of many innocent good citizens of both races.

"I recommend that the executive board tender its service to Governor Hobby and the authorities, assuring them of our sincerity and readiness to co-operate for the enforcement of the law.

"We should let it be known by the passionate, extremist, irreconcilable persons of our own race seeking fights with other persons that we do not approve of this and will in no sense be responsible for the outcome.

"Our people should be advised to obey the law, stay in their places, keep busy, and refuse to be hoodwinked by idle and purposeless classes.

"I am awfully sick of this scarecrow of social equality and negro domination terms coined by cheap politicians.

"I find no fault with God for the color of my skin or the texture of my hair," President Campbell continued.

"Birds of a feather flock together, and when one breaks away from his own flock seeking admission into another, there is something unnatural.

"Every day letters are coming from the North and East on the part of negroes who want away some time ago. They are asking for money to get back home. These people have learned some valuable lessons. Those of us who remained at home looking after our affairs, not giving away our property, have been growing along every line, and we don't have to start life over.

"There is no doubt about the South being the garden spot of the world; and there is no doubt but that there is something lacking about the man who cannot be happy down here; for we have our churches, our schools, our social functions, our fraternal relations, our property, and every conceivable advantage and comfort for our physical, moral and intellectual development.

"The man either prospers or suffers in proportion to his ability to draw from nature what God has placed there for him."

The threatened increase in the fire insurance key rate should be sufficient to secure a hearty co-operation between property owners and City officials. The Mayor has been successful in having the execution of the threat withheld on the promise that fire hazards in the business district will be removed. Property owners should thank him for this opportunity to save the penalties of higher insurance rates and do everything in their power to make good his promise to the State Fire Rating Board. The Fire Marshal has labored diligently to secure a compliance with the fire code, but his efforts have been balked by recalcitrant property owners and tenants. It is now up to the latter to decide whether Vernon's insurance rate will be increased.

The announcement of the City Health Officer that he will see that Vernon cleans up inspires hope. Not that similar announcements have not been made in the past, because announcements and proclamations aplenty have issued from the City Hall. City officials have threatened

enforcement of various ordinances dealing with health problems, but few prosecutions have followed. The result is that the new health officer enters upon his duties with an old task confronting him. It is to be hoped that results will follow speedily and if they do not, that the penalty of the laws will be invoked to compel a more wholesome respect for the right of Vernon people to live in a clean, healthy community.

ERROR IN ANNOUNCEMENT.

Wilbarger Baptist Association Meets in Odell September 16
Instead of 9.

I authorized the announcement some days ago that the Wilbarger Baptist Association would convene Tuesday evening, September 9th, at Odell. This was an error, due to failure to look up the minutes, having in mind that the time was Tuesday before the second Sunday, rather than Tuesday after the second Sunday.

Let all messengers please note this, so that none will make the mistake of going to Odell, September 9, but wait until Tuesday, September 16th.

In this connection, the moderator solicits a large attendance, both of messengers and any who can be present. Any laymen, whether a messenger from his church or not, is just as welcome and as much desired as the messenger. Some very important matters are to be discussed and the greater good will be accomplished if all the churches can be well represented.

A number of visitors will be in attendance and they will have messages worthy of being heard by every Baptist in the county. The annual meetings of the association give an opportunity for the dissemination of information and furnish inspiration for the year's work, just ahead, and in the Christian life, both information and inspiration are necessary, if the highest life is to be lived.

C. Cook's nephew of Livingston, Tenn., is visiting him this week.

H. Hunt made a business trip to Margaret last Wednesday, returning Saturday. Mr. and Mrs. Hunt will probably move Tuesday to Margaret.

Miss Theresa Hazard spent the week in Chillicothe visiting friends.

47 FROM VERNON
GOING TO COLLEGE

LOCAL YOUNG PEOPLE WILL ATTEND SCHOOL IN FOUR STATES.

Forty-seven young people from Vernon and surrounding community will attend college this fall. Others may go. Schools in four states will have representatives from here, although a large majority of the boys and girls will enter some college in Texas. Others will go to Tennessee, Virginia, and the National capital.

Texas Woman's College seems most popular, as eight young women will matriculate there. Five from here will go to the University of Texas, while Texas Christian University, Ward-Belmont, National Park Seminary, the College of Industrial Arts, Clarendon, and Southern Methodist University will each have three from here. Two will go to Decatur Baptist College, Simmons College, and Miss Hockaday's School in Dallas. One will go to Baylor University, Daniel Baker College, Mary Baldwin Seminary, Southwestern University, Carr-Burdette College, and Columbia Military Academy in Tennessee. One young woman will attend the Fort Worth High School, one will go to the Bowie Commercial College.

The young people who will leave Vernon during the next few weeks are: Misses Mary Weekly, Mary Davis, Margaret and Georgia Castlebury, Jennie Breunhard, Fay and Annie Greever, and Stella Harris to Texas Woman's College, Miss Theresa Holt, Sam Gann and Renb Berry to Texas Christian University, both at Fort Worth; Miss Lucille Holt, John Lutz, Willie Abbott, Clyde Young and O. D. Thompson to the University of Texas; Misses Katherine Pierce, Geraldine Parker, and Dorothy Hicks to Ward-Belmont College, Nashville, Tennessee; Misses Ruby Thomas, Mary and Jennie Blackman to National Park College, Washington, D. C.; Misses Florence Puckett and Erna Coleman to Simmons College, Abilene; Miss Thelma Tall to Daniel Baker College, Brownwood; Misses Helen Hiatt, Dollie Howard, and Owen Henry to Powell Training School at Dallas; Misses Fannie Bourland, Laura Randall, and Abbie Starr of Odell to the College of Industrial Arts at Denton; Edgar McHugh, Arthur Carney, and John Stephens to Clarendon College; T. J. McGill, Willis Smith, and Oscar Holman to Southern Methodist University at Dallas; Milford Rouse to Baylor University, at Waco; Misses Audrey and Dorothy Cook to Miss Hockaday's School in Dallas; Miss Lona Sneed to the Bowie Commercial College; Marcus Sneed and Lewis Thompson to Decatur Baptist College; Miss Charlie Mae Northcraft to Mary Baldwin Seminary at Staunton, Va.; Miss Oleta Youngblood to Southwestern University at Georgetown; Miss Mildred Gilbert to Carr-Burdette College at Sherman; Perry Howard to Columbia Military Academy; Miss Florence Eggleston will attend the Fort Worth High School.

**IT'S NOT YOUR HEART
IT'S YOUR KIDNEYS**
Kidney disease is no respecter of persons. A majority of the ill-afflicting people today can be traced back to kidney trouble.
The kidneys are the most important organs of the body. They are the filters, the purifiers, of your blood.
Kidney disease is usually indicated by weariness, sleeplessness, nervousness, despondency, backache, stomach trouble, pain in loins and lower abdomen, gall stones, gravel, rheumatism, sciatica and lumbago.
All these derangements are nature's signals to warn you that the kidneys need help. You should use GOLD MEDAL Haarlem Oil Capsules immediately. The soothing, healing oil stimulates the kidneys, relieves inflammation and destroys the germs which have caused it. Do not wait until tomorrow. Go to your druggist today and insist on GOLD MEDAL Haarlem Oil Capsules. In twenty-four hours you should feel health and vigor returning and will bless the day you first heard of GOLD MEDAL Haarlem Oil.
After you feel that you have cured yourself, continue to take one or two capsules each day, so as to keep in first-class condition and ward off the danger of other attacks.
Ask for the original imported GOLD MEDAL brand. Three sizes. Money refunded if they do not help you.

You Use Belle of
Vernon Flour?**
Here's something of vital interest for you to think seriously about:
If you buy BELLE OF VERNON flour, the money you spend stays right here in our city and Vernon labor is paid for producing it; if you buy flour made outside of Vernon the largest portion of your money necessarily goes outside of Vernon to pay the costs and profits of manufacture—the other folks get the money and out-of-town labor receives the benefit—all we get is their flour.
Let your next sack of flour be BELLE OF VERNON. After you put it to the test in your kitchen you will ever afterward demand BELLE OF VERNON—not because it's made in Vernon, but because you will find it a better flour.

Washington, Aug. 31.—It is safe to say that Texas will bank more money from the first of September to the first of January than in any three years of her previous history.

No I am not thinking in terms of oil. I have been studying the August crop report by the United States Department of Agriculture and I find that of the staples alone, to-wit, cotton, cotton seed, corn, wheat, oats, grain sorghums, hay and sweet potatoes, Texas has a crop which, at present values, amounts to \$1,171,000,000. Add to this sum rice, peanuts, fruits and vegetables, and the profit on live stock which is fattened upon some of these feeds, and the grand total will easily exceed \$1,500,000,000. It is all made except the cotton, and we know from many years of experience that there will be little, if any, default in the present estimate of final output.

I am counting upon 3,000,000 bales of cotton and 1,500,000 tons of cotton seed. But particularly I wish to contrast the yields of food and feed this year with those of last year.

The yield of corn is 186,576,000, compared with 69,000,000 last year.

The yield of oats is 72,600,000 compared with 22,197,000.

The yield of wheat is 23,759,000, compared with 8,920,000.

The yield of sweet potatoes is 8,770,000, compared with 5,046,000.

The yield of hay is 1,351,000, compared with 740,000.

The yield of grain sorghum is 37,554,000, compared with 24,075,000.

The yield of rice is 7,995,000, compared with 7,840,000.

Crops Are Augmented.

The reader who cares to confirm the gross estimate of value may use his pencil upon these figures and the following actual prices paid on the average in the United States on date of Aug. 1:

Wheat \$2.17, corn \$1.91, oats 75c, sweet potatoes \$1.67, hay \$20.16, kafir corn \$1.70, cotton seed \$64.24, cotton 32 1-2c. In fact, in making the calculation of values I have discounted current prices.

Texas enjoys the distinction of these wonderfully increased yields in the face of disappointing yields for the entire United States on most of the same staples. Of wheat, corn, oats, white potatoes and sweet there is a considerable decline throughout the United States on August 1, compared with the July estimate. The decline in the yields for the whole country, together with the scarcity of food in Europe, insures continuing high prices until this crop is sold. Texas has the crops, and the world conditions makes the prices.

I have not yet reached the chief point of my observation, which is not so much to rejoice as to point a lesson.

The lesson is that Texas this year feeds herself. While there may be some imports of this or that food or feed, there will be exports to compensate and the balance of exchange will be slight. By this I mean to call attention to the fact that our cotton money will be "velvet."

Of course it has cost a great deal to make this crop. Labor has been high-priced and farm supplies have cost more than ever before, and the farmer who has a well-balanced system of agriculture and has had to employ the minimum of outside labor will show a handsome profit at the end of the season.

Texas Self Sustaining.

Suppose that we had only half as much food and feed and instead had 50 per cent more cotton. Cotton would be cheaper, food and feed would be higher and all the cotton money would be required to purchase the food and feed necessary to sustain the family and the livestock. By that system for many years past, until the war and the necessity of the situation taught us a better way, we would have had no more of substance at the end of the year than we had at the beginning of the year. If, indeed, we had not in the meanwhile accumulated some debt to carry over. Now we have food and feed enough to maintain us until another harvest and we have cotton as a surplus or a profit upon the year's labor and we have something more than \$500,000,000 of it which we may spend as we please for investment, for improvement, for comfort.

The net result in the balance of the surplus cotton, above food and feed, would be substantially the same whether corn was worth fifty cents or a dollar and a half a bushel, whether wheat was seventy-five cents or two dollars and twenty-six cents and whether cotton was worth thirty-five cents a pound or fifteen cents a pound, because the price of all other commodities of use or comfort have risen to about the same general level. This demonstrated philosophy of safe farming, therefore, will fit peace conditions as well as war conditions.

If we can get thoroughly into our

FATAL AUTOMOBILE ACCIDENT SUNDAY

SISTER OF MRS. E. D. TREVATHAN
KILLED NEAR WICHITA
FALLS.

Miss Mary Hull, sister of Mrs. E. D. Trevathan, was killed early Sunday morning when an automobile in which she was a passenger turned over near Wichita Falls. Mr. and Mrs. E. D. Trevathan and children, Violet and Marian, Dollie Hull (a sister), and Miss Lola Morgan, were in the car. All were bruised and Violet Trevathan received a severe cut on the leg.

The party had started for Medicine Park, Okla. It was hardly daylight when the car swerved too far, slid off the grade at a turn, turned over and fell on its side. Miss Hull, who was on the back seat, was crushed.

Parents of the dead girl were driving a few hundred yards ahead and had gone some little distance when, not seeing the lights of the following car, they turned back and reached the scene just as the body of their daughter was being lifted from beneath the wreck. The body was placed in their car and hurried to Wichita Falls, but life was extinct.

Miss Hull was 22 years old, and is survived by her father and mother, three brothers and three sisters.

Mr. and Mrs. Trevathan lived in Vernon until recently, when they moved to Wichita Falls.

The Record joins with friends in sympathy for the deceased.

H. R. Orr of Burkburnett is visiting his mother, Mrs. S. V. Orr.

New Garage on East Side.

J. F. Hardison and H. C. Thomas have rented the Hampton building on the east side of the square, formerly occupied by Peden Bros., and have established themselves in the garage business. The enterprise will be known as the Hardison & Thomas garage. Mr. Hardison has been employed with Napier Bros. Ford & Motor agency for some time while Mr. Thomas resigned a position with the Vernon Storage Battery Company to enter the garage business.

Grand Jury Empaneled Yesterday.

The fall term of the district court convened yesterday morning. Little but routine matters have been attended to. The grand jury was empaneled and is now in session. Today is appearance day and cases are being set on the docket. O. T. Warlick continues to represent the State in the absence of an appointment by Governor Hobby to fill the vacancy caused by his resignation as district attorney which was to have become effective Monday.

Goes to Thresh Wheat on Plains.

A. Allison left yesterday to look after threshing his wheat crop in Swisher and Randall counties. He has about 400 acres of wheat, and says the crop promises a good yield. Mr. Allison also has about 150 acres of wheat in Oklahoma, but will return to Vernon before going to thresh it.

H. W. Norwood of Wichita Falls visited the former part of the week here with friends and home folks.

T. E. Ingle of Grandview is in Vernon visiting at the home of his daughter, Mrs. D. D. McCroskey.

Mrs. J. M. Thomas and daughters, Ruby and Marguerite, returned Saturday night from Colorado Springs, where they have been spending the summer.

Getting The Children Ready For School

We are ready to supply you with everything to wear that the boys and girls will need. We never were so well prepared as this season.

School Shoes of Solid Leather

It is not so much how much you pay for a pair of shoes—it's the value you get in a shoe that counts. Experience has taught us that no substitutes for leather will give satisfactory wear, and for that reason we sell nothing but shoes made of good solid leather, **The Star Brand**. They cost less per month. We have every new last and leather and can fit every foot.

Boys' Shoes . \$3.50 to \$6
Girls' Shoes \$3.50 to \$8.50

The New Suits for Boys Are Here in Great Variety

We know the kind of suits the boys like best, and have assembled a collection large enough to take care of every boy who comes into our store.

STOLEN CAR FOUND IN BRYAN FRIDAY

J. M. DODSON'S FORD WAS TAKEN
IN WICHITA FALLS
WEEK AGO.

A Ford roadster stolen from J. M. Dodson about a week ago was located Friday in Bryan, Texas. The car was taken in broad daylight from in front of a theater in Wichita Falls. Officers, both at Wichita Falls and Vernon, were notified immediately but nothing was heard of it until the message was received from Bryan. The number of the engine served as the mark of identification. Every officer has access to a catalogue of car numbers of the state and this catalogue was used by the Bryan officer, Sheriff W. A. Ish explained.

The man was not in the car and so far no arrests have been made.

Mr. Dodson is not in town but his father, Dr. J. E. Dodson, is sending for the car.

More cars are stolen in Wichita Falls than any city of its size in Texas, is the opinion of local officers. They base this statement on the number of cars and notices received daily from officers in that city, notifying that cars have been stolen and giving their description. Deputy Sheriff J. W. Carrington believes the number of cars stolen in Wichita Falls will average three every twenty-four hours.

CLEVELAND AND DETROIT TIE FOR FOURTH CITIES IN U. S.

Cleveland, Ohio, and Detroit, Michigan, are tied for fourth place among cities of the United States, according to tabulations of data secured in the survey of school attendance, reports from municipal water departments on 1910 and 1919 water services and consumers, and reports on families. St. Louis, which was fourth in 1910, has also given way to Boston, which was in ninth place at that time.

NEPHEW OF MRS. W. H. HUGGINS KILLED

CHILD, 5 YEARS OLD, RUN DOWN
ON STREETS OF HOLIDAY
FRIDAY.

W. H. Huggins returned yesterday afternoon from Holliday, Texas, where he had been to attend the funeral of Mrs. Huggins' nephew, little W. H. Taylor, Jr., who was killed in an automobile accident in that city about 5 o'clock Friday afternoon. They received a message advising them of the tragedy about an hour later and left in a car for Holliday. Mrs. Huggins will remain for several days with her brother.

Funeral services were conducted from the family residence, five miles from Holliday, at 5 o'clock Saturday afternoon by Rev. W. H. Wallace, Jr., assistant pastor of the First Methodist Church, South, of Wichita Falls.

Deceased, who was but five years of age was run down on the streets by some boys in a Ford. Both wheels passed over his little body and death was instantaneous.

W. H. Jr. was the only child of Mr. and Mrs. W. H. Taylor and the parents are prostrated with grief over the tragedy. Numerous friends will unite in sympathy for the bereaved relatives.

Epworth League to Give Social.

A lawn social will be given by the Epworth League at the Methodist parsonage Friday night at 8:45 o'clock. All young people are invited and especially those contemplating going away to school, as the entertainment will be for their benefit, particularly.

Mr. and Mrs. Jo. H. Trout spent Sunday at Danville in Hardeman county.

Miss Ita Barksdale of Chico is visiting her sister, Mrs. J. D. Parnell, on South Main street.

Edwin Klingler has returned home from Oklahoma, where he spent some time visiting relatives.

FIRM WILL HANDLE OIL WELL SUPPLIES

GROWING IMPORTANCE OF VERNON
AS CENTER OF OPERATIONS
RECOGNIZED.

C. R. Staley, C. D. Greene, and E. L. McCarter are opening an oil well supply house in Vernon. The two former are Vernon men. Mr. McCarter has been with the Texas Oil Well Supply Company of Wichita Falls.

The new firm will be located in the Neathery building on North Main street. Its establishment is recognition of the growing importance of this community as a coming oil center, and it will be welcomed by the numerous operators now drilling for oil in this county. Heretofore it has been necessary to get supplies from Electra or Wichita Falls, and many delays have been caused by inability to get supplies promptly.

Vernon's commercial importance will also be enhanced by the new business.

Notice of Bids.

The trustees of the Harrold Independent School District will receive bids at this time to act as depository for district funds.

FRISCO OFFICIALS HERE.

Railroad Men Are Pleased With Prospect of Development in Vernon and Surrounding Country.

J. G. Taylor, division superintendent, and H. V. Kengle, superintendent of bridges and buildings, of the Frisco Railway Company, were in Vernon yesterday on official business. They have headquarters at Enid, Okla.

The railroad men were taken over the oil fields and farms near Vernon and declared that they were surprised that the city was surrounded by such promising territory for oil. The land around Vernon, they declared, was among the most productive they had ever seen.

W. E. Muller of Frederick visited relatives in Vernon Friday.

Tom Hardison returned Friday from San Angelo. He visited in that country for about a week.

Miss Neva Robinson returned Friday from Wichita Falls where she has been for several days visiting friends.

GIRLS! WHITEN YOUR SKIN WITH LEMON JUICE

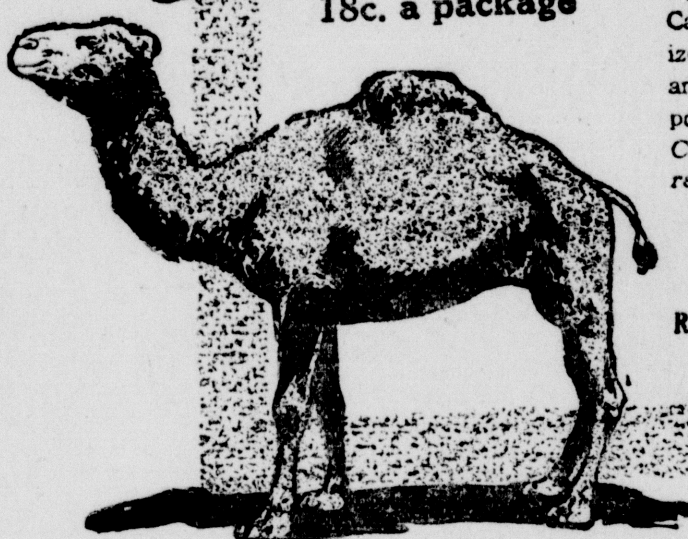

Make a Beauty Lotion For a Few Cents To Remove Tan, Freckles, Sallowiness.

Your grocer has the lemons and any drug store or toilet counter will supply you with three ounces of orchard white for a few cents. Squeeze the juice of two fresh lemons into a bottle, then put in the orchard white and shake well. This makes a quarter pint of the very best lemon skin whitener and complexion beautifier known. Massage this fragrant, creamy lotion daily into the face, neck, arms and hands and just see how freckles, tan, sallowiness, redness and roughness disappear and how smooth, soft and clear the skin becomes. Yes! It is harmless, and the beautiful results will surprise you. 26-11 Adv.

NO SECRECY IN MEAT SITUATION WHEN U. S. REPORTS ARE USED

That everyone interested in meat—from the stock raiser to the consumer—may have the benefit of knowing market conditions in the meat industry, the Bureau of Markets, United States Department of Agriculture, issues daily and other reports to facilitate distribution, improve transportation, stabilize values and to help the producers in placing their stock where it will sell to the best advantage.

On the assumption that the dissemination of market information will tend to improve conditions, the Bureau of Markets has developed a system of market reporting that has already had some effect in restoring confidence in the markets. While the information made available by the bureau is being used most extensively by those actively engaged in some branch of the livestock or meat industries, it is believed that sooner or later the public generally will utilize this knowledge and with it bring into line any retailers who reduce consumption by an unwarranted margin of profit.

Present Market-Reporting System.

The present market-reporting system, which was begun in the fall of 1916, has developed rapidly, and at present there are 17 service centers, each of which distributes daily, weekly and monthly reports on the various branches of the industry. These include daily reports on meat-trade conditions in Boston, New York, Philadelphia, Washington, Pittsburgh, San Francisco and Los Angeles; daily reports on live stock loadings; daily reports on the estimated receipts and prices of live stock at Chicago and Kansas City; reports of live stock movements in grazing and feeding sections; monthly reports on stocks of frozen and cured meats, eggs, and poultry; monthly reports on live stock receipts and shipments at all public stock yards, and monthly estimates on the supply of marketable live stock.

The report on meat-trade conditions at the leading markets brings to the small dealers, as well as to producers, information that was formerly possessed only by the larger meat-packing institutions. Specialists obtain full information daily on the fresh meat supply, including various grades of beef, veal, pork, lamb and mutton at the markets, and this information is tabulated and distributed widely by telegraph, through a leased-wire system, to meat-market centers. In a similar manner daily price quotations are furnished on different grades of live stock. As applied to fresh meats, this service results in giving to the public full information as to the supply and accurate data on values of all commercial grades. Secrecy is eliminated, so that when prices on meats are high, as compared with values on foot, it is possible to locate the profiteer.

Shipments Reported Each Day.

Daily reports prepared by the bureau furnish the industry with information

on live stock shipments. This information is obtained from transportation companies who report by wire each night to the Chicago office of the bureau. The wide distribution of this information tends to stabilize values. It furnishes to the producer information which will enable him to ship his stock to markets where there is the greatest demand. A knowledge of the demand by smaller plants, which these reports furnish, has a tendency to stimulate competition among buyers with the subsequent effect of raising values. Also, when the amount of live stock moving from production areas is known, it is possible to regulate the supply of cars needed and to determine whether car shortages for any particular district are apparent or real. Improving the system of distribution makes fewer cars necessary, and they can be moved with greater dispatch.

A better distribution of live stock receipts resulting from information obtained from the leading reports enables commission men and buyers to render better service in handling live stock after it arrives at the stockyards. Heavy receipts arriving unexpectedly create congestion and confusion, which in turn invariably result in unnecessary shrinkage and costly delays, working in reality an injury to the producer and thereby discouraging production.

Bureau Issues Variety of Reports.

An important branch of the live stock reporting system of the Bureau of Markets consists of telegraphic bulletins prepared by representatives of the Chicago and Kansas City offices, and issued from time to time during the market hours of each day. They report the actual live stock arrivals and the exact conditions of the market, and are transmitted over the bureau's leased wires to other markets, where local offices are established. Markets all over the country rely on these daily reports, and these prices are used as a basis in determining values.

Steady progress has been made by the bureau in collecting and distributing information obtained from grazing and feeding sections, which is of use in lessening market congestion and preventing violent fluctuations in values. Reports on meats in storage are issued monthly. The bureau also issues monthly reports on receipts and shipments of live stock in 81 of the leading stockyards in the country. In addition the bureau furnishes a weekly bulletin, the "Live Stock and Meat Trade News," which supplies miscellaneous trade information coming from outside sources. All of the reports issued by the bureau are given wide publicity and are available to any person who has use for them.

Get Your Money's Worth

Hearing the New Edison for the first time is like opening the blinds to the sunlight.

You expect to hear the familiar talking machine "tone." You are agreeably surprised to hear something different—something that you did not expect to hear from a phonograph. You hear the human voice and the music of human-played instruments in all their natural beauty—positively indistinguishable from the performances of the artists themselves.

When we sell you an Edison Re-Creation we sell you the actual voice of the artist, or his instrumental performance—nothing more, nothing less.

If we sold you an Edison Re-Creation, knowing that it was not 100% true to the actual recording of the artist, we would be guilty of not giving you your full money's worth. We know that when we sell you an Edison Re-Creation we are giving you your full money's worth because we have proof.

Two thousand music critics have endorsed our claim that

The NEW EDISON

"The Phonograph with a Soul"

Re-CREATES the human voice and the music of human played instruments without the slightest deviation from the original.

"What the Critics Say" tells the story better than we can tell it here. May we send you a copy?

FARGO GIRL WEDS NEWSPAPER MAN

MISS ANNIE BELLE MAY MARRIES
COLLEGE SWEETHEART IN
FORT WORTH.

Miss Annie Belle May, daughter of Mr. and Mrs. D. W. May of Fargo, and Lynn W. Landrum were married Friday afternoon in Fort Worth. The ceremony was performed by Rev. W. E. Hawkins, Jr., at the home of Walter Scott, an uncle of the bride. Rev. Hawkins is a cousin.

The young couple left immediately for Bryan, where Mr. Landrum is editor of The Daily Eagle. Only immediate friends and relatives were present. Robert and Miss Florence May, brother and sister, of the bride, attended from Vernon.

Miss May is a graduate of the University of Texas, and for four years had been assistant registrar of the institution. She was regarded as one of the most brilliant young women in the University circle, and was a member of Phi Beta Kappa, honor scholarship society.

The groom was a graduate of the law department of the University. While a student he was editor of The Texan, the University daily paper. He was also associate editor of The Alameda, published by the University alumni association. Mr. Landrum entered the first Officers' Training Camp at Leon Springs, and was commissioned Lieutenant. During the war he was stationed at Camp Travis.

Mr. and Mrs. Landrum were leaders in Sunday school and church work at the University, and it was an acquaintanceship begun there that culminated in the wedding Friday.

The Record joins a host of friends in congratulations and good wishes.

WED AT METHODIST CHURCH.

CONGOLEUM

Gold Seal
ART-RUGS

"That Seal Guarantees Congoleum Quality,"—says the salesman, pointing to it on the rug.

"We are glad they put the Gold Seal where you can't help seeing it, because it protects both you and us."

"We recommend Congoleum Art-Rugs wherever a low-priced floor-covering is desired for there is nothing else that answers the purpose so well. First, it is sanitary and easy to keep clean. There is no burlap in a Congoleum Rug, so water won't hurt it. A damp mop will keep the colors clear and bright."

"Second, a Congoleum Rug is very durable. The surface is wear-resisting and absolutely sanitary. Then, too, it lies perfectly flat without any fastening."

"And remember, this Gold Seal which is on every genuine Congoleum Art-Rug, guarantees every good point I have told you about them."

"The most surprising thing about Congoleum Art-Rugs is their low price. Let us show you the many beautiful designs in our stock."

T. J. Youngblood

Keep a Kodak Story of the Children

In every day of their young lives are events of almost dramatic interest; the painted gallop across the porch on the hobby horse; the adventure with the puppy in the garden; sister's new frock and brother's new tricycle; that important morning when with stout hearts they first trudge off to school—such pictures, preserving forever the childhood days, mean a world of comfort to mother's heart—yes and to father's too.

And just a few years afterward; "That's you when you were—let me see. Oh, yes, the film says it was August eighth, 1918, your fourth birthday."

Every picture worth taking is worth at least a date, if not a title. It's all very simple with an Autographic Kodak, as simple as pressing the button, and Autographic films cost no more than the other kind.

Let us show you our complete line of Eastman Kodaks.

BUSINESS HOUSES CLEANING ALLEYS

CITY OFFICIALS GRATIFIED AT RESULTS OF CAMPAIGN FOR SANITATION.

The city officials are gratified with the results of the alley clean-up campaign that has been conducted during the last few days under the direction of City Marshal R. H. Bratton. Especially are the business men responding to the request that their premises be made as nearly safe from fire as possible, Mr. Bratton advises. The campaign, however, is receiving the co-operation of the entire citizenship of the town, he said.

Several of the business men were surprised at the amount of trash in the alleys as they had come to give the matter little attention. The rubbish was hauled away by the wagon loads and Mr. Bratton believes that within a day or two the city will be put in good condition, as far as the fire risk is concerned. He expects to make another inspection some time soon for the purpose of seeing that the necessary precautions are being taken within the buildings.

The clean-up campaign is being waged with a view to averting the increase in the key rate of the city. An order issued from the State Insurance Department at Austin, called for an increase from fifty-seven to sixty cents. Mayor Harry Mason has secured the promise that the order would not be put into effect upon the assurance that the alleys would be properly attended to.

Doctor Advised Him to Take It

As F. Roberts, Successful Cattle Dealer Gains 16 Pounds in 60 Days Taking Tanlac.

"One of the best doctors in Colorado advised me to take Tanlac, and it has not only overcome my troubles but I have gained sixteen pounds since I began taking it sixty days ago," said A. F. Roberts, who lives at Rocky Ford, Alberta, Canada, a few days ago.

Mr. Roberts is one of the largest cattle dealers in his section of the country, and before moving to Canada a short time ago, he had spent most of his life in Colorado, U. S. A.

"I can now understand why Tanlac enjoys such wide popularity both in Canada and the United States," continued Mr. Roberts, "and since it has done me so much good, I know that it is a very dependable medicine and deserves all the praise that is being given it. For the last two years I have suffered from stomach trouble, and when I commenced taking this Tanlac, it was almost impossible for me to retain anything I ate. I was very nervous and never got a good night's sleep, and finally got so weak and rundown that I was hardly able to get about. I often had dizzy spells, and was bothered a great deal with constipation."

"My physician certainly knew what he was doing when he prescribed Tanlac for me, for it has done the work for me, as I am as healthy and strong now as I ever was in my life. In fact it has done much more for me than I expected it would do. I have a fine appetite and everything I eat agrees with me perfectly, and I never have the slightest sign of stomach trouble of any kind. I am no longer bothered with constipation, and never have those dizzy spells any more. I have regained all my strength, too, and that nervous sleep has left me, and I sleep like a log every night. In fact, I am simply enjoying perfect health again, and I give Tanlac credit for it all."

Tanlac is sold in Vernon by all leading druggists.

PARENTS THOUGHT ADERHOLT OVERSEA

ELLIOTT BOY SERVED UNDER
GENERAL DICKMAN AND WAS
AT CHATEAU THIERRY.

Probably no family has experienced a greater surprise over the return of a soldier from overseas than was occasioned by the arrival of Howard Aderholt at his home near Elliott Tuesday morning. Howard is a son of Mr. and Mrs. J. P. Aderholt and was thought by his parents to be overseas until his mother saw him approaching the house outside the yard gate. The rejoicing that followed may well be imagined.

Howard is at home on a thirty-day furlough, following service overseas with the Third Division for about eighteen months. He was in the Medical Corps and took part in five major operations. The Elliott boy participated in the Chateau Thierry drive under General Dickman on the occasion that commander answered a demand from the Germans for a surrender with the well known challenge: "Retreat, hell! we have just arrived and our next move will be forward."

The Wilbarger soldier was severely gassed and is still suffering from the injury. He re-enlisted on the 23rd day of last May for a year's service in Poland, but, he said, for some reason or other he was never sent to that country. He is now stationed at Camp Pike, Ark.

Wildcat News.

Wildcat, Sept. 2.—(By special correspondence.)—Fleet Oliver made a trip to Quanah the past week with the intention of renting a place for another year, but came back and has taken the Bargdoll place. We are glad he will be here another year.

Mrs. John Patton returned Thursday from Walters, Okla., where she had been visiting her father, C. Colbert, and family. Her brother, Arthur, had just received an honorable discharge from the navy and returned home. He had made good in the navy rising as high as he could go without becoming a commissioned officer.

Mr. and Mrs. Herman Patton and baby returned to their home at Dallas Sunday night. They have been visiting Mrs. Patton's parents, Mr. and Mrs. G. W. Hildebrand. Mr. Patton said he was considering moving out here another year.

Mr. and Mrs. W. C. Morehead, from the Lockett community, are spending the week with Mr. and Mrs. Will Nunn. We are glad to see Annie Nunn, who has had typhoid fever, able to be up.

Mr. Nuel Brooks, who has been visiting her mother, Mrs. L. H. Lowry at Dublin, returned home Saturday.

Our teachers for the following year are Miss Leola Smith of Fargo, principal, and Miss Nell Hughes of Hinds, assistant.

Rev. R. V. Tooley came out to G. W. Hildebrand's Sunday evening and baptized little Martha Joe, the infant daughter of Mr. and Mrs. Herman Patton of Dallas.

A letter from Oscar Burk to his mother, Mrs. J. L. Burk, says he has had only light attacks of asthma since going to the plains.

Frank Hildebrand went to Walters, Okla., Sunday night to resume his work in the grocery store of Jim Ewing.

Mr. and Mrs. Fleet Oliver gave a cream supper Saturday night, which was a very enjoyable affair.

NEEDED COAT IN VIRGINIA.

S. C. Johnson Says Prosperity of Old Dominion Is Great as in Northwest Texas.

Mr. and Mrs. S. C. Johnson returned this week from an extended vacation in Virginia and Maryland. They visited Baltimore, Norfolk, Buffalo, Little Springs, Danville, and Lynchburg, and spent some time in the Blue Ridge mountains. Mr. Johnson says he slept under one and two quilts all the time, and on one occasion borrowed an overcoat from a friend.

The climate agreed with the visitors, too. Mr. Johnson gained nine pounds in weight. He has high praise for the good things they have to eat in the Old Dominion, and adds—"I just wish I could forget the spring water."

Virginia is as prosperous as Northwest Texas, according to Mr. Johnson. He says children can get out and gather berries and bark enough to make \$1 or \$5 a day.

For Sale.

Oil leases of 1,500 acres, solid body. Oil leases near locations, derricks now up; have lease of various sizes in all parts of county. 10,000 acre improved ranch, all tillable, at \$16.00 per acre; 5,000 acres well improved and watered land, all tillable but 500 acres. Price \$16.00. See J. E. Lutz.

C. W. Trigg was a business visitor in Denton Friday and Saturday.

Fargo News.

Fargo, Sept. 4.—(By special correspondence.)—Mr. and Mrs. Frank Wright, Mr. and Mrs. L. B. Canley, H. E. Key, Frank Ketchersid, C. S. Smith, L. K. Baird, Dr. and Mrs. D. T. Jordan were Vernon visitors this week.

Dr. C. G. Trinkle of Dallas was in the community this week representing the U. S. Machine Company. He will place several in the community as it is a sewing machine used in all domestic science work.

G. A. Hendricks and family have moved on R. B. Richardson's place.

Miss Anna Belle May, daughter of Mr. and Mrs. D. W. May, was married in Fort Worth last week to L. W. Landrum, editor of the Bryan, Texas, Eagle. Miss May is a graduate of the State University at Austin and has been assistant registrar there for several years. Her many friends offer congratulations.

The Methodist meeting closed Monday evening. Several professions were made and additions to the church were obtained. Miss Vertua Hudson of Tolbert and Mrs. H. A. Hood of Vernon attended the meeting Monday. L. G. Hawkins, Mr. and Mrs. G. W. Backus, C. V. Carroll, C. Bargdoll, H. F. Brooks and children, Misses Texas Coffee, Ruth Carney, Mildred Young, Mamie Allen, Claudie Bargdoll and Rupert Bargdoll of Vernon attended the services Sunday. The Methodist pastor, Rev. Sisk, and three friends were here from Odell.

Miss Lois Colley and Mrs. Edna Wiseman of Dallas are visiting their sister Mrs. Emmett Ketchersid, and aunt, Mrs. Jesse Mason.

Misses Leola Smith, Laura Sweetmon, Lucille and Marie Marr are attending the teachers' institute in Vernon this week.

Miss Lena Marlow of Wildcat was in Fargo Sunday.

Mrs. May Adams, who has been sick for some time at the home of her sister, Mrs. Jesse Mason, is improving. Cecil Goins returned from Burkburnett last week.

D. J. Wilhelm is improving rapidly after an illness of several weeks.

Visit Our Mattress Display.

A display room has been opened by Price's Mattress Factory at 203 West Wilbarger street—next door to the factory. You are invited to visit our display of new mattresses. We also make over your old mattress and give it a new lease on life.

LOCAL MEN IN DEAL BUYING CALL FIELD

WILL MAKE RESIDENCE SECTION
OF WICHITA FALLS FLY-
ING POST.

The Hanover Company (of Texas), whose Vernon personnel is J. D. Par-
nell, J. C. Hickernell, and A. P. Peck,
associated with J. A. Kemp and Frank
Kell of Wichita Falls, have bought Call
Field.

This was the Government aviation
field at Wichita Falls, and includes 160
acres of ground and buildings con-
structed by the Government for train-
ing men in the art of flying during the
war. It is provided with water, sewers,
and electricity supplied from
Wichita Falls. Its streets are paved,
and it is about one-fourth of a mile
from the street car line.

For the present the buildings will be
made into apartments and used to re-
lieve congested living conditions in
Wichita Falls. About 2,000 people can
be cared for. It is the purpose of the
purchasers to extend the street car line
from Wichita Falls into the grounds
and make it one of the most attractive
additions to this rapidly growing
metropolis of Northwest Texas.

The interests of the Hanover Com-
pany (of Texas) will be handled
through the Vernon office, and no mem-
ber of the firm will leave here. A man
will be put on the ground to manage
the undertaking until it is disposed of.

This is one of the largest deals in
which Vernon men have been interest-
ed, and will involve several hundred
thousand dollars when the addition has
been finally disposed of.

Muggins Studio Pupils' Notice.

Huggins piano studio will open Mon-
day, September 15, one week after the
opening of public school. This will
give pupils an opportunity to become
accustomed to study and recitation
periods as arranged by their teachers,
thus gaining the most from their first
week of school. Enrollment and as-
signment of lesson periods will be Sep-
tember 12 and 13.

Pupils who have studied with us be-
fore are urgently requested to re-en-
roll. If you have moved to Vernon re-
cently and want your child to do good
work on piano we solicit your patron-
age. You can not make a mistake in
your selection of Huggins Studio. Call
at 426 West Paradise Street, or tele-
phone No. 226, September 12 and 13 for
enrollment. Adv. 6643c

Returns From Trip on Plains.

E. E. Booth has returned from Far-
well, where he owns a section of land.
Crops there are splendid, as they are
all over the plains, Mr. Booth says. He
brought back samples of fine peaches,
apples and pears and has 160 acres in
alfalfa, which he thinks will yield
5,000 bushels.

Notice of Bids.

The trustees of the Harrold Inde-
pendent School District will receive bids
at this time to act as depository for
district funds.

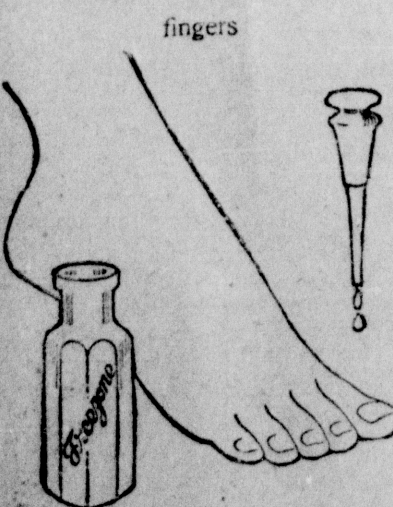

N. F. SPRICKLAND, President,
D. H. VAUGHN, JR., Secretary,
6633c Adv.

Mrs. J. O. Wright and daughter, Ola
May, left Tuesday night for Waxaha-
chie to be at the home of Mrs. Wright's
grandmother, who is very sick. The
older woman is eighty years of age.

City property, lands and oil leases.
List your stuff with me, J. B. Love,

LIFT OFF CORNS!

Apply few drops then lift sore,
touchy corns off with
fingers

Doesn't hurt a bit! Drop a little
Freezone on an aching corn, instantly
that corns stop hurting, then you lift
it right out. Yes, magic!

A tiny bottle of Freezone costs but a
few cents at any drug store, but is suf-
ficient to remove every hard corn, soft
corn, or corn between the toes, and the
calluses, without soreness or irritation.

Freezone is the sensational discovery
of a Cincinnati genius. It is wonderful.
